LAVOR XTREME 4100

The Lavor Xtreme 4100 is designed for use in larger areas like shopping malls and large complexes. It is a robust machine that can sustain daily usage. It comes with a large tank capacity that results in less stops and maximum use of battery charge for effective operation. The Xtreme 4100 comes with an automated control of machine functions like leveling of brushes and water output. It is easy to use and easy to maintain. Made in Italy.

Advantage:

- High brush pressure for effective cleaning
- Large water tank to reduce loss of man-hours
