

# RHINO 120B

## RIDE-ON SCRUBBER DRYER

## Technical Specifications

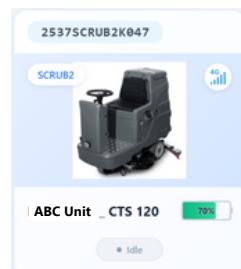

<b>Cleaning Width</b>	850 MM
<b>Squeegee Width</b>	1000 MM
<b>Cleaning Efficiency</b>	5,100 M <sup>2</sup> /H
<b>Brush Size</b>	15" (X2)
<b>Solution / Recovery Tank</b>	120 L / 130 L
<b>Brush Motor Power</b>	500 W (X2)
<b>Vacuum Motor Power</b>	560 W
<b>Battery Type</b>	25 V / 200 AH Lithium-ion
<b>Weight</b>	245 KG
<b>Dimensions (L,W,MM)</b>	1,580 x 950 x 1,470

The **RHINO 120B** is engineered for professional cleaning at scale. Its ride-on design and high-performance dual brush system deliver deep, consistent cleaning across even the largest floors fast. Built for comfort and ease of use, it minimizes operator fatigue while maximizing productivity, allowing your team to clean smarter, not harder. Durable, reliable, and ready for any challenge, the **RHINO 120B** is the ultimate solution for industrial and commercial floor care.

### Key Features:

- **Optional IoT Integration** – Track and manage water usage, battery level in real-time ensuring optimal deployment, promoting sustainability and supporting ESG initiatives while reducing operational costs.
- **Lithium Battery** – **JOOZE Power** for longer runtime
- **AMETEK & Hengye Motors** – Quiet, durable operation

### Industries & Applications:

Ideal for cleaning contractors, manufacturing facilities, workshops, and building maintenance. Perfect for daily cleaning of machinery, vehicles, and buildings.
